I think this is the best possible outcome for this situation, given EPA's apparent lack of authority.

That's all for now...

Great! I scheduled a brief meeting on this end – 2-2:30. Julie Chan, John Odermatt and I will be on the line. Julie and John work with the waiver, and John is familiar with the Armstrong facility. Is there a good number to reach you at Thursday?

Hello, All –

In preparation for our meeting on Thursday, I have attached the Armstrong Egg Farms inspection report. I have not yet heard back from Dat or David - please let me know if you will be able to attend. (If I have the incorrect email address for David (see above), please let me know, and I'll resend it.

Thanks,  
Kristine
